## PRESIDENT'S REPORT

Grace and peace to you in the name of the Father, the Son, and the Holy Spirit!  
My time as President of the Board of Lakeside has been relatively brief, as I was Vice President when our President, Shelby Kroona, had to resign from the Board in November, 2019 due to her personal situation. Thank you to Shelby for her faithful service to the Board.

2019 was a year when Lakeside continued to explore new ways of being an outdoor ministry in this area. Brittney Swanson is doing a great job as our Executive Director, as her enthusiasm has brought new life to the mission of Lakeside. The rest of our staff, Ranger Z, Paige, and Pam, also do an amazing job. Working at a place like Lakeside is a labor of love, and you can tell that they all love the camp, and love serving the Lord through the ministries we do. By all accounts, the summer staff in 2019 did a great job with those who attended camp, as well as promoting Lakeside and engaging in activities in congregations and other locations.

The challenges Lakeside is facing are real, of course. Declining revenue from ELCA kids attending camp due to societal and congregational trends, as well as property issues posed by aging camp infrastructure, did not go away in 2019. However, the staff have helped lead the way in being creative, thinking of ways to address those challenges in ways that do not undermine the mission of Lakeside.

I would also like to thank the many volunteers who help the mission and ministries of Lakeside, including those who come to the camp to help with the property, the pastors, nurses, and laity who help with campers, and those who helped raise funds for Lakeside. There are many others who deserve to be thanked, but I want to give a special thank you to the Board for their service in 2019, especially Carrie for her hard work as Treasurer, and Grace for her work as Secretary of the Board.

While the challenges are not going away anytime soon, we trust that God's abundant and steadfast grace, love, and mercy will be with Lakeside in 2020 and beyond. With that in mind, I will close this report with a prayer from one of my favorite writers, Thomas Merton:

My Lord God,

I have no idea where I am going.

I do not see the road ahead of me.

I cannot know for certain where it will end,

nor do I really know myself,

and the fact that I think I am following your will

does not mean that I am actually doing so.

But I believe that the desire to please you

does in fact please you.

And I hope I have that desire in all that I am doing.

I hope that I will never do anything apart from that desire.

And I know that if I do this you will lead me by the right road,  
though I may know nothing about it.

Therefore I will trust you always though

I may seem to be lost and in the shadow of death.

I will not fear, for you are ever with me,

and you will never leave me to face my perils alone.

Amen.

**In Christ,**  
**Pastor Jay Denne**

EXECUTIVE REPORT

We passed all our goals for growth this year! We grew our camper numbers, our traveling day camp program, added new churches to our confirmation camp, hosted more successful retreats than ever before, welcomed an independent wrestling camp alongside our camp, and we were full of rental guests every weekend May through September. We’ve seen a big jump in participation in the off season from churches, as well as local schools, the synod, ecumenical partners, organizations, universities, and families. It has been wonderful to see camp so full of people who are being impacted by the Holy Spirit all year long and not just in the summer months.

Improvements to property and program made a huge impact to our ministry. We’ve added directional signs in center camp, stopped flooding at the bell circle, improved the RV park with a dump station, replaced the electric at the waterfront, started upgrading cabins, planted over 200 trees, removed over a dozen dead trees, and put a new hot water heater in the Event Center. To improve our camper’s experience, we added a human foosball court, kids’ playground, installed a low ropes challenge course, added 15 mountain bikes, a diving board, an escape room, fixed up our sail boats, increased fishing, environmental education, and crafts.

It is a privilege to belong to such a wonderful community of campers, staff, alumni, neighbors, congregations, and families. The support and involvement this year has been inspirational. So many gifted individuals shared their time and talents with us, gifting us with beautiful banners, artwork, and help during staff training, camps, quest time, and in the kitchen. We also received incredible assistance with sail boats, forestry, landscaping, interior design, and so much more. I invite anyone who has an interest, skill, or hobby to bring it to camp and we can make use of it.

Looking forward we will continue to address maintenance needs and try to improve our property regularly. It is hopeful rentals and retreats will continue to be a good source of revenue for us and camper numbers should continue to increase as we add more and more churches to our list of participants. Our goal is to continue reaching out into the community and with ecumenical partners to expand our ministry. We will continue to listen to our partners in ministry and try to provide the resources they need from us like off season camps and traveling events for faith formation. Lakeside has always been and will continue to be a place of belonging for all people to find joy and purpose in God’s creation.

I am just grateful I get to serve this ministry and I thank all of you for your continued support of Lakeside.

Peace and Blessings,  
Brittney Swanson, Executive Director

TREASURER'S REPORT

I want to start by thanking all of you for the ways in which you have contributed to Lutheran Lakeside Camp this past year. Without your support, the mission and ministry of this place would not be possible.

If you look at the statement of activity for 2019, you can see that our expenses exceeded our income by a rather large amount. (Note: My comments are concerning the Operating Fund which is the majority of the report. The deficit that we find in the Designated Fund is due to the fact that we spent money in 2019 that was given prior to that time, so while it looks like deficit spending, it was money that we already had on hand.) We had to use nearly \$200,000 out of savings this year in order to cover our expenses. We recognize that some of this had to do with \$75,000 in capital improvements that we had not expected or budgeted for; however, we should not be surprised by such things as our camp has some age and maintenance has been deferred to the point where it cannot be deferred any longer. We have had to withdraw money from the Endowment to cover expenses and we will have to do so again for 2020. If we continue in this pattern of having deficit budgets and needing to withdraw from the Endowment to stay afloat, we will have some hard decisions to make in the next five or so years in order to keep this ministry going.

While all of that is of great concern, the positive is that we seem to be headed in the right direction. Our deficit this year was \$100,000 less than it was last year, which is positive. Our rentals program is going well and income in that area is increasing. The number of campers and congregations bringing campers is up, so hopefully, we will see an increase in income in that area as well. However, while the registration fee for camp is \$465 for a full week of camp, it costs closer to \$800 to have a camper at camp for the week. Therefore, we also need to be more vigilant in our fundraising to help to continue to cover the costs.

As members of the congregations of the Lutheran Lakeside Camp Association, we would invite you to help us think of ways in which we can increase the funding for camp. If you have room in your congregational budget to increase your giving or you could find creative ways to do some fundraising for the camp, that would be very helpful. If you know of people in your congregation or community, including yourself, that have a heart for Lakeside in particular, or camp ministry in general, and you could talk with them about all of the great experiences, learning and growing that Lakeside offers, and invite them to help support the ministry, that would be much appreciated. The more support that we can get from those who claim this camp as their own, the better off we will be.

We are also seeking to create a Development Team whose focus would be reaching out to people and businesses across the state of Iowa, and even beyond, to share with them the ministry of Lakeside and to seek financial support for the mission and ministry of this place. If you know of people for whom fundraising and networking is a passion and/or their line of business who you believe would be an asset to this team as we get it off of the ground, please let the Board know.

There are so many exciting things happening at Lakeside and the future looks bright. Thank you for the ways that you have helped to make that possible, and I encourage you to help us find ways to be sustainable into the future together for the sake of God’s mission in Jesus Christ in this place.

Respectfully submitted,  
Carrie L. Lewis La Plante, Treasurer

# RANGER'S ANNUAL REPORT

The weather this year was unpredictable and hard to work around: lots of snow, lots of rain, flooding, lots of wind, but by God's grace we were able to open camp, run all summer, and continue to do what Lakeside does best! Providing the "Best Summer Ever" to our participants!! The property continued to see regular improvements and upgrades, with planned and unplanned projects.

Our electrical infrastructure project was completed in time for summer, with new power to all areas in main camp, setting us up for upgrades in the future. The campground RV dump station and power has been completed with just some minor finishing touches needed. The sewer issues on main camp were diagnosed and that problem will be addressed in the spring of 2020.

Volunteers once again played a big part in projects on camp, tree planting, forestry work, clean up and repair work, painting, landscaping and building picnic tables. Volunteer opportunities are available year-round for individuals and groups, if you are interested in sharing your time and talents just let us know. Look for information on upcoming "God's Work, Our Hands" day of service dates coming out soon.

All in all, what a wonderful year we had at Lutheran Lakeside, lives were changed, new friends made, and the "Spirit" was present and felt by all who were here. A new day has come and as always, Lakeside will shine!!!

Peace,  
Ranger Z, Property Manager

# ANNUAL PROGRAM REPORT

2019 started with a transition of program staff, quickly followed by a series of job fairs, church visits, and other outreach events to prepare for summer. We had the pleasure of partnering with the Southeastern Iowa Synod and Ewalu Bible Camp to lead Confest in Iowa City. In the spring, we were able to partner with the Western Iowa Synod, the Nebraska Synod, and Ingham Okoboji Bible Camp to help with a cross-generational event in Sioux City. Our spring programs included hosting our second Confirmation Renewal and several field trips from the Spirit Lake School District. We finished our spring season by being part of worship, tabling, and speaking at the Western Iowa Synod Assembly.

The summer arrived fast and with much excitement. As we welcomed 16 summer staff members, we also had volunteers install an escape room and playscape. The 3 weeks of staff training were followed by 8 weeks of youth and adult camps. Over those 8 weeks, we welcomed 347 campers, 30 pastors and youth leaders, 1 retreat group, and 1 self-led wrestling camp onsite. We also sent a team of summer staff to lead congregational day camps at 5 different churches across Iowa. Throughout the entire summer, to every guest, we taught and lived out the theme of Transformed Community, with lessons on inclusion, compassion, justice, forgiveness, and generosity. Our 2019 summer mission project played a big part in this theme. Over the course of 8 weeks, we raised \$1,670.48 for Lutheran Immigration and Refugee Services (LIRS). An anonymous donor generously decided to match every penny we raised, so we were able to donate a total of \$3,340.96 to LIRS, surpassing every goal we set. Everyone who encountered Lakeside this summer stepped into a transformed community, a community that strived to do the will of God, to do what is good and acceptable and perfect.

In the process of closing camp for the winter, we welcomed more field trips and a confirmation retreat this fall. We restarted our Wednesday night, bi-weekly visits to Trinity Lutheran Church in Estherville for worship and youth education time. We were very grateful to start a new partnership with Grace Lutheran Church in Spirit Lake, leading worship on a Wednesday, bi-weekly basis. The fall was also filled with job fairs, church visits, and community events, such as Trunk or Treating and Santa's Village.

This winter we had the joy of partnering with several Sioux City churches to kick off their confirmation classes. We also welcomed back past summer staff for a reunion. Around the same time, deadlines passed for summer 2020 leadership staff applications and congregational day camp reservations. We ended 2019 with more 2020 summer staff applications and more requests for 2020 day camps than we had for the previous summer. We are very excited to welcome the new year with bigger goals, dreams, and plans.

Paige McGrath, Program Director
